Manufacturing Systems (ERC/RMS)

Network Performance Workshop
Thursday May 1, 2008
University of Michigan
Ann Arbor, MI

Agenda

The (Third) Annual Network performance workshop will be held on Thursday May 1st at the University of Michigan. The half day session will include industry speakers and technical discussions on wireless networks in the industrial setting.

GM Conference Room – Lurie Building

7:45 – 8:30	Arrival, Parking and Breakfast.
8:30 – 9:00	UM Overview
9:00 – 9:30	Wireless Requirements for Automotive Manufacturing, *Mike Read (Ford)*
9:30 – 10:00	Wireless Industrial Ethernet used in an Automotive AS/RS, Richard Kluth (Siemens)
10:00 – 10:15	Panel Discussion Introduction, "Roadmap for wireless deployment in manufacturing."
10:15 – 10:45	Break.
10:45 – 11:30	Panelist Presentations.
11:30 – 12:15	Discussion and wireless roadmap development.
12:15 – 2:00	Lunch.
